OFFICE OF INFORMATION MEMORANDUM NO. 36, Supplement No. 1

Compliance with OWI Regulation 1 Regarding Motion Pictures and
Overseas Broadcasts as Prescribed in Secretary's Memorandum
No. 1025

The Secretary of Agriculture, in Memorandum No. 1025, made the Director of Information responsible for carrying out the directives in Office of War Information Regulation No. 1, and particular responsibility for arranging cooperation with OWI in the gathering of material for overseas broadcasts and similar use, and for cooperating with the Motion Picture Bureau of OWI was assigned to the Assistant Director of Information in charge of Field Service and Motion Pictures.

This memorandum supplements Secretarial Memorandum No. 1025 with procedure for effectuating it.

1. All proposals by bureaus and agencies of the Department for production of motion pictures, and all suggestions for newsreel and similar treatment shall be referred to the Assistant Director of Information in charge of Motion Pictures. However, this shall not preclude bureaus and agencies from maintaining contacts with newsreels, in line with the open-door policy enunciated in OWI Regulation 1.
2. In order to facilitate production in the field of script and transcription broadcast material for overseas broadcast in cooperation with OWI, bureaus and agencies should authorize their appropriate field offices to assist with this activity insofar as possible in connection with their regular duties, and in cooperation with the Field Service, Office of Information.

Morse Salisbury,
Director of Information
